### **Big 5 wilderness camping in the Great Limpopo Transfrontier Park**

*The Great Limpopo Transfrontier Park – home to more than 850 animal and 2 000 plant species – was one of the first formally established peace parks in southern Africa. This 35 000 km<sup>2</sup> park links the Limpopo National Park in Mozambique, the Kruger National Park in South Africa, and the Gonarezhou National Park in Zimbabwe.*

#### **31 August**

Meet in Phalaborwa.

Last chance for shopping, before we leave civilisation behind us - you must be totally self sufficient for the next 5 days.

We use backroads to the Letaba sector of the Great Limpopo Transfrontier Park (GLTP).

Our extended game drive will see us arriving around 16h00 at our wilderness bush camp.

Wild camping under the stars - NO ABLUTIONS

**01 September**

Leave after breakfast, explore the trail-exclusive areas of the Park, before arriving at our wilderness bush camp on the banks of the Great Letaba river.

Sundowners watching the sun set over the water - one of Africa's magic spectacles!

Wild camping - NO ABLUTIONS

**02 September**

Exit the Letaba sector of the GLTP.

Today is a full day as we drive through rural South Africa to the Makuya Park sector of the GLTP. We will stop en-route for a quick picnic lunch, arriving at the Park at around 14h30.

Once through the gate, we use a 4x4 trail down into the valleys to our camping site on the banks of the Luvuvhu river.

Wild camping - NO ABLUTIONS

**03 September**

Low range work as the trail takes us across rivers, through deep valleys and over rugged mountains with spectacular views over the wilderness.

This is elephant and buffalo country ....!

Wild camping - NO ABLUTIONS

**04 September**

Depart after breakfast, exit the Park and "hit" civilisation close to Pafuri.
